CITY OF JOPLIN, MISSOURI,)

	Defendant.	

MOTION TO DISMISS

COMES NOW Defendant City of Joplin, by and through its attorney, and moves this Court for its Order dismissing plaintiff's Complaint and all counts, claims, and causes of action stated therein for the reason that the claims are moot.

In support of its motion, defendant states that the Ordinance complained of has not been enforced. Further, that on November 5, 2018 the last reading of a new Ordinance repealing the complained of Ordinance was read and will be fully effective within 30 days. For all of the above reasons plaintiff's Complaint and the issues raised are moot and should be dismissed with each party to bear their own costs.

WHEREFORE, defendant moves the Court for its Order dismissing plaintiff's Complaint with each party to bear their own costs and for such other orders as the Court deems just and proper.
